

# CALLING ON ALL BIG HEARTED WORKPLACES

GIVIT is calling on big-hearted workplaces to wrap up the season with compassion.

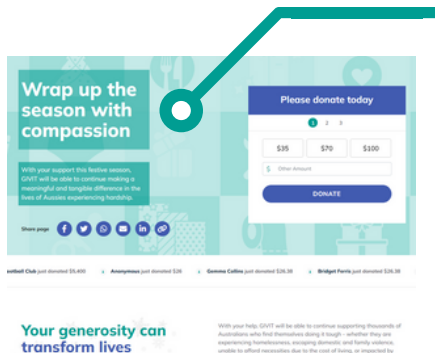

The past two years following the pandemic and natural disasters have resulted in large numbers of people experiencing financial hardship. The rising cost of living has exacerbated hardship with many people unable to put food on the table or gifts for their children this holiday season.

Help GIVIT to make this festive period a time of giving and not overconsumption.

To learn more about how your workplace can get involved, reach out to Caroline Odgers, GIVIT's Corporate Partnerships Manager at [caroline.odgers@givit.org.au](mailto:caroline.odgers@givit.org.au) or 0459 384 436.

# 3 WAYS

## YOU CAN GET INVOLVED

### Wrap up the season with compassion and give a gift with impact

Donate and support GIVIT to continue to help thousands of Aussies in need through our Wrap Up the Season fundraiser. To double your impact, dollar-match employee and customer donations through your own company-branded page. Contact us to learn more.

### Add a little sparkle to your workplace Christmas tree

Instead of a traditional toy drive, consider asking employees and customers to donate an item to GIVIT's Christmas Appeal. Download GIVIT Christmas tree tags here which includes a QR code. Your employees and customers can choose to donate items such as activity packs for kids, or Christmas lunch for families in need.

### Buy a good gift this festive season

Your workplace can help Aussies in need by purchasing GIVIT Christmas Cards instead of physical gifts for your customers and employees. GIVIT has just launched its first line of Christmas cards, designed by Melbourne designer Jemma Neal.

Your workplace can also help us spread the word through our 12 Days of Giving social campaign. Simply download the social media tiles and messaging here and share on your social media channels and internal communications.
